KOV-USBADPTCA-AC

6.5 in USB-A to USB-C Adapter Cable

The KOV-USBADPTCA-AC provides a simple, convenient connection with a 6.5-inch cable.

Designed for use with products such as the Elite Keyboard and other compatible USB devices, the adapter cable lets you connect USB-A devices or cables to a USB-C port while providing convenient reach and flexibility.

For the Elite Keyboard, the KOV-USBADPTCA-AC is ideal for a permanent setup. The 6.5-inch cable can remain connected to the keyboard, providing a convenient USB-C connection whenever the keyboard is used. This keeps the setup simple, organized, and ready to use. The cable's compact length also provides flexibility for positioning the connection where it's most convenient, making it well suited for keyboards and other devices where the adapter can remain connected.
